Wine Selection

Our wines have been thoughtfully selected to showcase the regions we think best capture the true essence of each varietal, while taking into account our Tropical North Queensland climate and Chef's seasonal menu selection. While we encourage you to eat and drink what you like should so require recommendations our restaurant will be happy to assist you.

While we endeavour to keep our list up to date, we are conscious of our environmental footprint, particularly when it comes to our natural resources. Occasionally there may be a vintage change or unavailable wine between menu re-prints. We apologise in advance if your vintage or choice is not available but would love to point you in the direction of an equally delicious alternative.
